

# VALORCHAIN TRAILER STORYBOARD

**[Time] 00:00-00:07**

[Visual] Distorted data feeds, AI hallucinations, courtroom glitch

[Voiceover] In a world where truth is distorted... Where AI makes things up... And data can't be trusted...

**[Time] 00:08-00:13**

[Visual] Blockchain pulses into view

[Voiceover] VALORCHAIN was born. A blockchain built to anchor reality.

**[Time] 00:14-00:20**

[Visual] VBLK token glows. Contracts, audio, AI results lock onto chain

[Voiceover] At its core-VBLK.

**[Time] 00:21-00:27**

[Visual] Badges show: HIPAA, FERPA, SEC, ADA. Whistleblower icon locks

[Voiceover] The token that notarizes documents. Time-stamps AI. Locks down legal evidence... forever.

**[Time] 00:28-00:34**

[Visual] Exchange charts plummet, flash loan bots attack

[Voiceover] But truth alone isn't enough...

**[Time] 00:35-00:41**

[Visual] DBLK token surges red-hot, activating defenses

[Voiceover] Markets are attacked. Bots short your tokens. Flash loans wreck your value.

**[Time] 00:42-00:49**

[Visual] Chainlink feed triggers, wallets flagged, taxes spike

[Voiceover] That's why we created DBLK.

**[Time] 00:50-00:55**

[Visual] Buyback & burn animation. AI dashboard pulses

[Voiceover] The first Anti-Short Reflex Token. Powered by AI. Reacting in real time.

**[Time] 00:56-01:05**

[Visual] VBLK and DBLK snap together like armor pieces

# VALORCHAIN TRAILER STORYBOARD

[Voiceover] VBLK proves truth. DBLK defends it. Together, they form... VALORCHAIN.

**[Time] 01:06-01:10**

[Visual] Dark fade with logo and tagline glowing

[Voiceover] Not just another chain. Not just another token. This... is VALOR.
